GREETINGS

Welcome to our April newsletter!

Now that the Birthday Sale is behind us, I feel like I have time to breathe again. It's been a busy past few months for us here in the shop. We've had a big spring clean and clear out, so you won't believe how tidy the shop is right now!

If you were in the shop on 31 March, you may have noticed Judi Mendelssohn in the shop taking photographs. She is writing an article about Seattle Quilt Company for the "Let's Go Shopping" feature of British Patchwork and Quilting magazine. I'm so excited! You should see us in the June 2010 issue.
