GREETINGS

Welcome to the April newsletter! Time is flying away again and I cannot believe it's already the middle of April.

We are excited about our new class schedule, which came out last month. I hope you've seen something of interest. If you haven't received your copy, just let us know and we'll get one sent out to you straight away.

On Saturday 4th June, we will be having a Pfaff sewing machine demonstration day. There will be several Pfaff sewing and embroidery machine models on display for you to play with. More information is coming soon, but save the date!

Hope to see you soon.

Lisa
