Many of you know that Claire will be leaving us soon to go off to University and we wish her the best. By the way, her last day is 29<sup>th</sup> August (she's going to kill me for telling everyone that!)

Please join us in welcoming our newest member of staff, Margaret, who will be taking over for Claire. We feel confident that you are going to love Margaret just as much as we do!

### CHRISTMAS IN AUGUST

It's that time again—Christmas is coming...well, not quite. **Christmas in August** is coming.

We hope you can join us on **Saturday 29th August** from 10am – 5pm. You'll see all of our upcoming workshop samples, plus a whole load of exciting Christmas projects.

We've also stocked up on many new patterns, books and of course, Christmas fabrics.

If you aren't too keen on Christmas, we hope you'll join us anyway so we can welcome you back properly from the summer break.

### GREETINGS

Welcome to the August newsletter!

I hope you are all managing to stay dry this summer. We sure have had some wet weather lately—all the better for getting some quilting done!

We are busy getting ready for the Festival of Quilts 2009 show in August, so you may see quite a few boxes in the classroom over the next few weeks. I know some of you will be at the show as well, so I hope you'll stop by and say hello. The shop will, of course, be open while I'm away in Birmingham, but I will be taking some of our flannel fabrics away with me.

Our new class schedule is out for September - December. There are so many new projects to choose from, so do check it out!

### NEW ARRIVALS
