GREETINGS

Welcome to our first newsletter of 2010!

I hope you all had a stress-free holiday and you are ready to attack those UFO's! I have a few myself that I plan to get finished this year.

Starting on January 5th, we are having a massive sale for one week. We have over 500 bolts of fabric in the sale—prices ranging from £4.95 per metre to £7.95 per metre. There's a little something for everyone including batiks and flannel fabrics. This is our largest sale ever so don't miss out!!!

We've had a great response to the January-March class schedule! If there is a class you wanted but can't get on it because it is already fully booked, have no fear—we will be offering those workshops again in the next term. If you haven't received your workshop schedule, just let us know and we'll get it straight out to you.
