GREETINGS

This is such a busy time of year and just keeps getting busier. I hope you are all managing to find some time for quilting. I have a few Christmas projects on the go and hope I finish them all before the end of this year.

We've just returned from a fantastic show at Ingliston. I was pleased to see so many of you there too! Next stop for me is Houston at the end of October. I'll be off to Quilt Market again to find out what is new on the U.S. quilting front.

There are still spaces to be had on some of our autumn classes. If you need a copy of the class schedule, just let us know and we can email you a copy.

Many of you have asked us about the new Quilt Expression 4.0 sewing machine from Pfaff®. See our Sewing Machine Spotlight for more information and do stop by the shop any time for a demonstration on the machine. I love it!

As always, if you have any queries, please don't hesitate to ring or stop by and see us! We're always here to help.
